GENERAL INSTRUCTIONS

- A. Include a **separate** certification for **each** PWS ID# that your public water system (PWS) has. You may combine the notices and violations on the same certification as long as the timing requirements in B are met for submitting the certification.
- B. Within ten (10) days of providing the notification to your consumers, you must mail the certification to the Division of Water at the address below. **Do not mail the certification to the Division until you have notified the public of the violation.**
- C. If you use your annual Consumer Confidence Report (CCR) for the public notification of Tier 3 violations, you must submit a certification of the PN requirements AND a certification of the CCR requirements.
- D. You must provide a copy of each type of notice used for each different public notice.
- E. Certification is to be signed by the person responsible for the overall operation or management of the system.
- F. Mail PN certification to:

ATTN: PN
Maxine Goebel
Division of Enforcement
14 Reilly Road
Frankfort, KY 40601
- G. You are not required to use this form; it is provided for your convenience. Systems may submit other "certification" forms prepared by other entities or a letter, as long as the required information is included.
